

Counterculture Through the Ages: From Abraham to Acid House

Filesize: 8.69 MB

Reviews

These sorts of ebook is the best publication accessible. It is amongst the most amazing ebook i actually have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Jace Gusikowski IV)

COUNTERCULTURE THROUGH THE AGES: FROM ABRAHAM TO ACID HOUSE

Villard. Paperback. Book Condition: New. Paperback. 432 pages. Dimensions: 7.9in. x 5.2in. x 1.0in. As long as there has been culture, there has been counterculture. At times it moves deep below the surface of things, a stealth mode of being all but invisible to the dominant paradigm; at other times it's in plain sight, challenging the status quo; and at still other times it erupts in a fiery burst of creative or destructive energy to change the world forever. But until now the countercultural phenomenon has been one of history's great blind spots. Individual countercultures have been explored, but never before has a book set out to demonstrate the recurring nature of counterculturalism across all times and societies, and to illustrate its dynamic role in the continuous evolution of human values and cultures. Countercultural pundit and cyberguru R. U. Sirius brilliantly sets the record straight in this colorful, anecdotal, and wide-ranging study based on ideas developed by the late Timothy Leary with Dan Joy. With a distinctive mix of scholarly erudition and gonzo passion, Sirius and Joy identify the distinguishing characteristics of countercultures, delving into history and myth to establish beyond doubt that, for all their surface differences, countercultures share important underlying principles: individualism, anti-authoritarianism, and a belief in the possibility of personal and social transformation. Ranging from the Socratic counterculture of ancient Athens and the outsider movements of Judaism, which left indelible marks on Western culture, to the Taoist, Sufi, and Zen Buddhist countercultures, which were equally influential in the East, to the famous countercultural moments of the last century—Paris in the twenties, Haight-Ashbury in the sixties, Tropicalismo, women's liberation, punk rock—to the cutting-edge countercultures of the twenty-first century, which combine science, art, music, technology, politics, and religion in astonishing (and sometimes disturbing) new ways, *Counterculture Through the Ages* is an indispensable...
