

AS Chemistry Facts and Practice (Paperback)

By Max Parsonage

Maxinterax Ltd, United Kingdom, 2008. Paperback. Book Condition: New. 297 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****. This new AS level chemistry book is written in plain English to help the student comprehend and learn. The many questions, with answers, help the student revise the material and improve their exam technique. This book is a course companion and a revision aid. The book relates to the exam boards AQA, Edexcel, and OCR (including the transition metal option), and would be useful for both the Nuffield and the Salters specifications. The author has extensive experience helping students gain high grades in chemistry A level. Responding to requests by readers the author has produced a new version with more space for student notes, more practice questions, more room for the student to write their own answers. The text has been edited with reference to the new 2008 specifications. The questions and text have been extensively tested and checked.

Reviews

An exceptional pdf and also the typeface applied was intriguing to read through. It is definitely simplified but excitement in the 50 % in the ebook. I discovered this ebook from my dad and i recommended this pdf to find out.

-- Jarod Ward

Complete information for publication enthusiasts. It is really basic but shocks inside the fifty percent of your book. I am just delighted to let you know that this is basically the finest book i have read through in my individual lifestyle and might be he best pdf for actually.
