Journey to Yandol follows the misadventures of a space freighter pilot who just wants to go on vacation but finds that it keeps eluding her as crime and corruption drag her into something much larger. Power Off explores an alien invasion scenario kicked off as retaliation for an attack we didn't know we were making. Tea Leaf Technology introduces a sneaky and technologically-empowered galactic cult. Finally, Tramp Avatar is a short tale of a young man confronting the complexity of reality on what started as an ordinary day. However, ordering a copy in print provides you with a compact and complete book that you can take anywhere and read without any added technology requirement.
