Istoria Books, United States, 2012. Paperback. Book Condition: New. 202 x 134 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In 1965 Saigon, Joe, a young draftee, becomes obsessed with a Vietnam girl named Mai, his own Dragon Lady from the Terry and the Pirates cartoon strips that his mother still sends him. As he pursues a relationship with her, Saigon churns with intrigue and rumors--will the U.S. become more involved with the Vietnamese struggle? What's going on with a special unit that's bringing in all sorts of (for the time) high tech equipment? Will the U.S. make South Vietnam the 51st state and bomb aggressors to oblivion? But for Joe, the big question is--does Mai love him or will she betray more than just his heart? Gary Alexander's own experiences plus his intelligent voice, filled with dry wit, give this story a sharp sense of truth, recounting the horror and absurdity of war. Reminiscent of books such as Catch-22, Dragon Lady serves up equal measures of outrageous humor and poignant remembrance. Gary Alexander was one of 17,000 US soldiers in Vietnam that spring. When he left in the fall, there were 75,000 troops in-country. He is the author of several mystery novels, most notably the Buster Hightower series, and numerous mystery short stories. DRAGON LADY is his first literary novel. Read an interview with Gary at the Istoria Books blog:
