Oxford University Press, United Kingdom, 2013. Sheet music. Book Condition: New. 309 x 233 mm. Language: English . Brand New Book. The Oxford Book of Lent and Easter Organ Music brings together a superb array of repertoire for use from Ash Wednesday through to Pentecost, providing a comprehensive volume for this extended liturgical period. The pieces—largely based on well-known hymn tunes—vary in style and length, suiting a range of purposes, from processions and interludes to voluntaries and recital works. A range of technical difficulty makes the book useful for players of differing abilities, and clean and uncluttered scores leave interpretative decisions to the performer. An invaluable resource for a major part of the church year.
