As he draws closer to investigate, the gloom behind the bars fades to reveal a most horrific animal, a beast that whispers words of warning. Locked into a devil's pact with a monstrous creature, Tyler must travel across a vast and alien landscape whilst plagued by increasingly bizarre dreams. As it begins to dawn on him that he may well be on the edge of losing his sanity, he is forced to face the demon that murdered his family. A fast-paced, wickedly clever fantasy adventure!.
