

The Place of Enchantment: British Occultism and the Culture of the Modern (New edition)

By Alex Owen

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, The Place of Enchantment: British Occultism and the Culture of the Modern (New edition), Alex Owen, By the end of the nineteenth century, Victorians were seeking rational explanations for the world in which they lived. The radical ideas of Charles Darwin had shaken traditional religious beliefs. Sigmund Freud was developing his innovative models of the conscious and unconscious mind. And anthropologist James George Frazer was subjecting magic, myth, and ritual to systematic inquiry. Why, then, in this quintessentially modern moment, did late-Victorian and Edwardian men and women become absorbed by metaphysical quests, heterodox spiritual encounters, and occult experimentation? In answering this question for the first time, "The Place of Enchantment" breaks new ground in its consideration of the role of occultism in British culture prior to World War I. Rescuing occultism from its status as an "irrational indulgence" and situating it at the center of British intellectual life, Owen argues that an involvement with the occult was a leitmotif of the intellectual avant-garde. Carefully placing a serious engagement with esotericism squarely alongside revolutionary understandings of rationality and consciousness, Owen demonstrates how a newly psychologized magic operated in conjunction with...
