Business Basics for Veterinarians

By Lowell Ackerman

iUniverse. Paperback. Book Condition: New. Paperback. 312 pages. Dimensions: 8.9in. x 5.9in. x 0.9in. While many veterinarians choose to believe that expertise in medicine necessarily precludes having business sense, nothing could be further from the truth. In fact, business and medicine are both evidence-based disciplines with much in common. When a patient is sick, we used standard algorithms to determine the most likely causes, and run appropriate diagnostic tests. We do the same thing with a business that is in failing health. We might run an inventory audit instead of a radiograph, or look at financial statements rather than laboratory results, but the problem-solving approach is the same. Once a medical problem is unearthed, we prescribe appropriate treatment. The same holds for businesses. A practice may not need an antibiotic injection, but an infusion of capital might be just what the doctor orders for an outdated facility. Finally, once the problem is corrected, we periodically monitor the patient with wellness exams, assuring continued health. Businesses are no different. We continue to take their vital signs, benchmark them against established normals and make sure that they continue on a healthful trend. What could possibly be a more natural extension of expertise than applying...

Reviews

This composed book is excellent. This really is for all who state that there had not been a worth reading through. Your life period will probably be change as soon as you total looking over this ebook.

-- Cheyanne Barrows

The book is fantastic and great. I have gone through and I also am certain that I will planning to read through once more once more down the road. Its been printed in an exceedingly simple way and is particularly simply after I finished reading through this publication through which really changed me, change the way I think.
