The Search for Income: A Practical Guide to Building an Investment Income Portfolio

By Maike Currie

Harriman House Publishing. Paperback. Book Condition: new. BRAND NEW, The Search for Income: A Practical Guide to Building an Investment Income Portfolio, Maike Currie, One of the major pursuits for investors is the search for income. This ongoing search can be more difficult at some times than at others. For example, when interest rates are low and when companies cut dividends, traditional income sources come under pressure. However, the fundamentals of income investing remain in all economic conditions. These fundamentals can be learned and applied by investors, thus improving their chances of finding and securing income. This guide begins by covering the basics, providing you with an essential platform for effective income investing by giving detailed explanations of the concepts of interest rates, inflation and yield. The focus then moves on to the investment assets themselves: cash, fixed interest, equities, funds including ETFs, property, infrastructure and timber. For each there is a careful explanation of its traditional income performance, how income is paid and how investors can use the asset in question as part of a broader income-generating portfolio. Attention is also given to the risks involved when investing in each type of asset. In the final part of the...
