Circle Publishing. Paperback. Book Condition: new. BRAND NEW, Answer is a Miracle, Robert Perry, Allen Watson, 'A Course in Miracles' promises to teach its students miracles. It wants to train them in the experience of miracles, so that they become completely natural for them. Who would not want to learn that?! Perry and Watson's goal is to lead you to a place where you see the frequent experience of miracles as entirely possible, as a true goal to which you aspire, and as the end toward which 'A Course in Miracles' is guiding you. Along the way, the authors clear up some confusion about what miracles are and how they happen, by answering the following questions: Where do miracles come from? What exactly are they? Do we perform miracles or do they just happen? How do they relate to our lives? How can we experience them, and what does it feel like? How is the Course a 'course in miracles'?
