Random House USA Inc, United States, 2008. Paperback. Book Condition: New. 201 x 137 mm. Language: English . Brand New Book. Ellen Datlow is the queen of anthology editors in America. -Peter Straub With original stories by Jeffrey Ford, Pat Cadigan, Elizabeth Bear, Margo Lanagan, and others From Del Rey Books and award-winning editor Ellen Datlow, two of the most respected names in science fiction and fantasy, comes a collection of fifteen all-new short stories, plus a science fiction novella, that could count as a virtual best of the year anthology. Here you will find slyly twisted alternate histories, fractured fairy tales, topical science fiction, and edgy urban fantasy. In Daltharee, World Fantasy Award-winning author Jeffrey Ford spins a chilling tale of a city in a bottle-and the demented genius who put it there. In Sonny Liston Takes the Fall, John W. Campbell Award-winning author Elizabeth Bear pens a poignant and eerie requiem for the heavyweight forever associated with his controversial loss to Cassius Clay. From hot new writer Margo Lanagan comes The Goosle, a dark, astonishing take on Hansel and Gretel. In the novella Prisoners of the Action, Paul McCauley and Kim Newman take a trip down a rabbit hole that leads to a Guantanamo-like prison whose inmates are not just illegal but extraterrestrial. Many of the writers you'll recognize. Others you may not. But one thing is certain: These stars of today and tomorrow demonstrate that the field of speculative fiction is not only alive and well-it's better than ever.
