## **RAISING CUBBY: A FATHER AND SON S ADVENTURES WITH ASPERGER S, TRAINS, TRACTORS, AND HIGH EXPLOSIVES (PAPERBACK)**

Broadway Books (A Division of Bantam Doubleday Dell Publishing Group Inc), United States, 2014. Paperback. Book Condition: New. 202 x 130 mm. Language: English . Brand New Book. The slyly funny, sweetly moving memoir of an unconventional dad s relationship with his equally offbeat son--complete with fast cars, tall tales, homemade explosives, and a whole lot of fun and trouble John Robison was not your typical dad. Diagnosed with Asperger s syndrome at the age of forty, he approached fatherhood as a series of logic puzzles and practical jokes. Instead of a speech about the birds and the bees, he told his son, Cubby, that he d bought him at the Kid Store--and that the salesman had cheated him by promising Cubby would do all chores. While other parents played catch with their kids, John taught Cubby to drive the family s antique Rolls-Royce. Still, Cubby seemed to be turning out pretty well, at least until school authorities decided that he was dumb and stubborn--the very same thing John had been told as a child. Did Cubby have Asperger s too? The answer was unclear. One thing was clear, though: By the time he turned seventeen, Cubby had become a brilliant and curious chemist--smart enough to make military-grade explosives and bring federal agents calling. With Cubby facing a felony trial--and up to sixty years in prison--both father and son were forced to take stock of their lives, finally accepting that being on the spectrum is both a challenge and a unique gift.
