### **Reviews**

*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Bull Publishing Company. Paperback. Book Condition: new. BRAND NEW, Privileged Presence: Personal Stories of Connections in Health Care, Liz Crocker, Bev Johnson, Written under the pretence that stories can be powerful medicine, this collection captures both the medical and emotional aspects of the hospital bed through tales from those who have been there and offers powerful messages about the essential ingredients of "good" health care: respect, compassion, collaboration, open and honest communication, family involvement, and flexibility and responsiveness to individuals and their needs.
