Children from 3 years old, will develop first reading skills with confidence. The book uses a variety of fun tasks such as colouring, joining, and matching activities to link sounds to letters, think about initial sounds, read simple words, and predict story endings. The fun illustrations encourage using a pencil in a controlled way and improve hand-eye coordination. Useful tips support adults so that they can encourage learning gently - plus there are more than enough funky stickers to reward your child as they complete each activity!
