What accounts for its amazing flying abilities? Why is the hummingbird attracted to the color red? Jeanette Larson and Adrienne Yorinks have compiled facts and folklore about these intriguing fliers that will answer these questions and many more. Readers will also get a glimpse into the different cultures that have been transfixed for centuries by this bird, as well as learn many interesting scientific facts discovered by modern-day ornithologists. Adrienne's bold and unique mixed-media quilts illustrate the hummingbird in nature and the mystery of these birds in ancient folklore.
