

## Making Sense of Monsters: Adventures in Discovering We Are Always Exactly Where We Are Supposed to Be

By Sally Rice

Sally Rice. Paperback. Book Condition: New. Paperback. 368 pages. Dimensions: 8.9in. x 5.9in. x 1.0in. A memoir by Sally Rice, the mother of MTV Reality TV star Sarah Rice. With a humane and upbeat eye, Sally narrates a journey transcending the spiritual DNA of abuse, ending up on the US terrorist watch list, and discovering an awakening in the most unlikely of places, The Quarry. In my work as founder of the multi-national nonprofit PAVE: Promoting Awareness, Victim Empowerment, I have seen that the damage that violence has on families is immeasurable. Sally Rice's debut book, an autobiography, is teeming with wit and shatters the silence of violence with humor and intellect. Eloquently written, this book is nearly impossible to put down and is a recommended read for a multidisciplinary audience from professors to therapists or any person with a personal connection to healing from a cycle of violence. -- Angela Rose, founder of PAVE This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
