Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Over the years, Boris Johnson has become one of the best known faces in British politics, with his unorthodox style and regular blunders. To some he is a loveable buffoon who can't help but keep putting his foot in it; to others he is an evil genius, strategically playing the fool in an effort to win the nation's hearts. Whatever their opinion of Boris, most would probably agree that characters like him at least help to keep the world of politics an interesting one. Here are some of the best snippets by and about him.
