## REWARDING YOUR ACCELERATED READERS: AN AWARDS-BASED PROGRAM WITH THE EMPHASIS ON READING (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Rewarding Your Accelerated Readers is your ready-made blueprint for a dynamic reading rewards program that honors students who make a commitment to improving their reading skills through reading practice. Every student in the school, from the most accomplished reader to the student with emerging skills, has the opportunity to earn meaningful awards and receive recognition as an individual, and as part of a group. Many schools use quiz-based software programs - including Accelerated Reader and Scholastic Reading Counts - to manage their students leisure reading progress. Students take brief quizzes about the books that they read, and amass points throughout the school year. As a way of encouraging reading practice and program participation, schools typically offer prizes for students who earn points. Some schools pass out candy bars and potato chips to students who pass quizzes. Other schools offer big-ticket items, such as iPods and video games to the students with the highest point totals. Sometimes the school principal will dye her hair blue, wear a silly outfit, or allow students to throw water balloons at her if the school earns a certain number of points. These rewards often leave educators and parents scratching their heads. Can t we come up more appropriate ways to recognize students? Aren t we really just bribing them to read? Rewarding Your Accelerated Readers is a complete plan designed to bring honor and prestige to students who develop their reading skills. Gone are the candy bars and dollar-store trinkets. Instead, students earn recognition for reading practice, and are presented with tangible rewards to commemorate their achievements. The program described in Rewarding Your Accelerated Readers gives every student in the school the opportunity...
