Brand New Book ***** Print on Demand *****.In Brazil, the violation of trade secrets is considered crime of unfair competition and is regulated by Law No. 9,279 of May 14, 1996. A constitutional principle protects the confidentiality of the source when necessary for the performance of a professional activity. For civil remedies, the Civil Code determines that a person who practices an illicit act and causes damage to another person is obligated to repair the damage caused. The Code of Civil Procedure allows for the search and seizure of a person or thing provided that the requester justifies the reasons for the measure, and Brazilian Labor Law grants employers the right to terminate an employee for violation of a trade secret. In China, the enforcement of trade secret protection may include criminal prosecution under the Criminal Law and administrative penalties under the Anti-Unfair Competition Law. The Anti-Unfair Competition Law also provides for compensatory damages as civil remedies to the trade secret owner, as do other civil and commercial laws such as the Contract Law and Labor Contract Law. A preliminary injunction for trade secret misappropriation used to be unusual, but this may be changing. There is no specific legislation that regulates trade secrets in India. The courts have protected trade secrets through common law actions for breach of confidence or breach of contract. In the absence a contract, Indian courts have also relied on the principle of equity to provide protection in some instances. Civil remedies include damages, injunctions, and the return of the confidential information. General civil law principles apply equally to the protection of trade (commercial) and production (know-how) secrets. Legal protection extends to information that was formally classified as secret and to...
