The Space Tourist's Handbook

By Anderson, Eric C.

Quirk Books, Philadelphia, PA, 2005. Trade Paperback. Book Condition: New. Quirk Productions (illustrator). First Edition.. This illustrated handbook features everything you need to know about space tourism--from travel-planning tips to life-or-death survival skills. You'll discover: The Best Itineraries Take stunning photographs of planet Earth--from sixty miles up. Dance on the ceiling in zero-gravity environments. Take a 'shower' using nothing but baby wipes. As a space tourist, you'll enjoy all of these activities and plenty more. The Best Destinations Exotic, exciting, and always spotlessly clean, these are the places every space tourist wants to visit. From Earth's Moon to the International Space Station, here's all you need to know about accommodations, menus, weather, walking tours, and more. The Best Vehicles From MiG-25 aircrafts to Soyuz-FG launch vehicles, these are the most comfortable rides in the universe. Whether you're planning a week-long expedition or a simple sub-orbital loop, we'll make sure you have plenty of leg room. The Best Travel Tips How to get there and get around When to go What to pack What to do in a water landing The ejector seat: How does it work? And other essential skills. With The Space Tourist's Handbook, you'll find everything you need to plan...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- *Otis Wisoky*

This publication is great. It is full of wisdom and knowledge You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
