Dream Dashers is a story about three best friends named Daisy, Tommy, and Froggy. Their lives are full of carefree frolicking during the day, and racing imaginations at night. Their adventures are so much fun, that they agree to meet in their dreams and continue playing together all night long. As they are dashing, dancing, and skipping through their dreams, they encounter more wild lands than they ever expected. This frightens them at first, but they soon discover that any doubts in their dreams can be transformed into beautiful scenes. They do not have to be afraid of their own dreams and imaginations. They learn to take control and change any nightmare into an entertaining experience. So as Daisy, Tommy, and Froggy bounce and jump through dreamland, they change their own reality into anything their hearts desire. Just like those three friends, you too will see that there is nothing to fear in nightmares and dreams. They belong to you, and they are there for you to enjoy and cherish as happy memories. Dream Dashers is a book that is meant to help children feel empowered when going to sleep. Let the light of your own curiosity guide you through the adventures of your mind. Let your own heart decide what will appear when you close your eyes and drift off to sleep.
