West of Dodge captures the fierce passion, the bold dreams, the brutal realities of the men and women who sought their destinies across a uniquely American landscape. Here a young cowpuncher stakes a claim to his own piece of the West.a deal that can only be sealed with fists and a .44 Colt. A gunfighter, tired of violence, seeks a haven of peace and honest work.only to be pushed down a trail of bloody revenge. A reckless cow-country bank robber and a leather-tough Texas Ranger square off in a battle of wits and wills that can only end when one man lies in his grave. Here, too, in stories with a distinctive L Amour twist, a quiet, unassuming farmer defends his honor in a blinding moment of pure panic and luck.only to find true courage on the run from the dead man s vengeful brothers. A misunderstood young drifter defends the honor of a lady.and finds himself the quarry of a relentless posse that wants to hang him high. An aging marshal who always used his head - and his reputation as a crack shot - to avoid trouble fears he may have to draw his gun for real when a stranger who knows his secret comes to town.
