CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 76 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Thomas Jefferson (April 13, 1743 (April 2, 1743 O. S.) July 4, 1826) was an American Founding Father, the principal author of the Declaration of Independence (1776) and the third President of the United States (1801-1809). At the beginning of the American Revolution, he served in the Continental Congress, representing Virginia and then served as a wartime Governor of Virginia (1779-1781). Just after the war ended, from mid-1784 Jefferson served as a diplomat, stationed in Paris. In May 1785, he became the United States Minister to France. Jefferson was the first United States Secretary of State (1790-1793) serving under President George Washington. With his close friend James Madison he organized the Democratic-Republican Party, and subsequently resigned from Washington's cabinet. Elected Vice President in 1796, when he came in second to John Adams of the Federalists, Jefferson opposed Adams and with Madison secretly wrote the Kentucky and Virginia Resolutions, which attempted to nullify the Alien and Sedition Acts. The State of the Union is the annual address presented by the President of the United States to the United States Congress. The address not only reports on the condition of the nation but also allows presidents to outline their legislative agenda (for which they need the cooperation of Congress) and their national priorities. In this edition the State of Union Addresses by Thomas Jefferson are presented in full for the years 1801-1808. This item ships from La Vergne, TN. Paperback.
